INTRODUCTION

The purpose of the Hulce / Hulse Families in America Volumes one, two, and three was to compile the known descendants of the two progenitors of the Hulce surname in America. About 94% of the Hulce surnames descend from Elisha Hulce / Hulse 1725 - 1796 from Goshen, NY. Some of Elisha's descendants use the Hulse, Hultz, and Hulcee spellings. Elisha's ancestors were of English origin.

About 6% of the Hulce spelling descend from James Hulce / Hulst 1791 - 1875 from Somerset County, NJ. James' ancestors are thought to be of Dutch origin.

Elisha Hulce and James Hulce / Hulst are not related.

These three volumes are one of the largest compilations on the Hulse surname.

The resources used in this compilation were:

FIRST GENERATION

1. **ELISHA HULCE** was born about 1725 in , Long Island, NY. He died about Jun 1796 in Minisink, Orange, NY. Elisha was a patriot during the Revolutionary War. He was among those who signed the Pledge of Association early in the war. He appeared on the rolls of the 3rd Regiment, Orange County, NY Militia. In May 1777 he served as a temporary replacement for his son, Jacob, for three months in Captain Little's Company at Dickens Fort on the Delaware. Martial Hulce stated that Elisha was a commissioner with General Washington at Valley Forge, and helped furnish supplies to the Army. His name appeared in DAR patriot and patriot spouse indexes. Elisha and Elizabeth were members of the Goshen Presbyterian Church as of 30 May 1767. They were received into the church by certificate. He was listed in the 1790 census of New Cornwall, NY. (2 males over 16, 2 females). He was listed as roadmaster (highway masters) #29 in April 1791 for Minisink Twp, Minisink, NY. There were several other Hulces/Hulses living in Orange County in this time period. Those in his age group were: Silas Hulse born 1726, Thomas Hulse born 1731, and Gilbert born 1735. Silas was very likely a brother to Elisha. Elisha and his brother Silas Hulse would have come from the Brookhaven, LI, NY area to the Goshen, NY area sometime after 1747 to the 1750's. Silas was known to have been in Brookhaven, NY in 1747. Elisha's possible other brothers include James, David and Daniel Hulse. Thomas, Gilbert and other Hulses in the Goshen area at the time would be first cousins to Elisha. Clippings from the Independent Republican, Goshen, NY 10 May 1910 stated the Hulse family of Orange County had a common ancestor, Richard Hulse of Brookhaven, Long Island, NY. Their ancestors originally coming from Holland. The article speculates that Silas, Thomas, and Gilbert were brothers. If they were all brothers, they were the sons of Joshua Hulse of Brookhaven because records there prove that Gilbert was the son of Joshua. Joshua was the grandson of Richard Hulse, the immigrant from England. Elisha is considered to be a great grandson of Richard Hulse of Brookhaven, Long Island, NY. Richard was born about 1640 in England. He died 1698 in Brookhaven. Elisha's grandfather would be one of the four sons of Richard: Thomas, Richard, Joseph, and John Edgar. This lineage believed for the following reasons: 1. Asa Dolsen was a witness to Silas Hulse Jr's (possibly a nephew to Elisha) will in 1799. Silas' will mentioned Elizabeth Sr and Elizabeth Jr. Elisha's wife was Elizabeth and his daughter was named Elizabeth. These two Elizabeths were the only mother and daughter residing in the Minisink Twp area in 1799. Being mentioned we can assume they were related. 2. Silas, Thomas, and Gilbert are in the same Presbyterian Church. 3. Elisha lived next door to Silas Hulse. Silas Hulse Jr was considered to be a descendant of Richard Hulse of Long Island. 4. Elisha's grandson was named John Williams Hulce. In a memo found at the Kroch Library, Cornell U, Ithaca, NY John wrote that the Hulces were descendents of Richard Hulse of Long Island, NY. 5. Elisha was born on Long Isalnd. 6. No Dutch type names were used in the family; all English type names. 7. Elisha lived in the Goshen, NY area known as Dolsontown where all the English Hulses lived in that time period. 8. Elisha had a grandson named Silas. 9. There were no Dutch Hulses or Holsaerts living in Orange County before 1800. 10. Martial Hulce wrote in the Boston Transcript that John (his father) was a direct descendant of William VerHulst, the second burgomaster of the new Dutch Colony. Martial didn't state facts to substantiate the above. Additonal research shows that William Verhulst went back to Holland. Research can find no connection between Elisha Hulce and William Verhulst other than a somewhat similar surname. Elisha died between February and June 1796. His will was dated 26 Feb 1796 and proved 4 June 1796. He was listed as a yeoman (Liber A, pp358, Orange County, Surrogate of Minisink). The will listed wife Elizabeth, sons Elisha, Joseph, John, Jacob, Benjamin, and daughter Elizabeth; grandchildren: Elisha, son of Benjamin, Sylvester, son of John. Executors were Jacob Hulse, George Little and William Little. Witnesses were John Conner, George Little, and Phebe Little. He provided comfortable support for his wife.

Elisha used only the Hulse spelling on records. About 1790 his descendants started to use the Hulce spelling. It is not known why the the spelling change occurred, other than to differentiate this Hulse group from their cousins in Orange County, NY. Elisha's son John and later descendants used the Hulce spelling for the most part, but a couple of small branches used Hultz and Hulcee. His son Joseph's descendants all use the Hulce spelling. His son Jacob's descendants all used Hulse. His son Benjamin's descendants are split, half used Hulce, half used Hulse. It's remotely possible that there are other spelling variations other than Hulce, Hulse, Hultz, and Hulcee. 75% of the descendants use Hulce, 23% use Hulse, 1% use Hultz, and 1% use Hulcee. About 94% of Hulces in America descend from Elisha Hulce, the other 6% descend from James Hulce of NJ. (see Volume 3 - Hulce/Hulse Familes in America). Elisha Hulce of NY and James Hulce of NJ are not related.

Elisha's father and mother are unknown. Elisha's father would be one of about 15 known grandsons of the early Richard Hulse of England. The research on the third generation has shown to be very difficult.

He was married to Elizabeth LITTLE about 1750 in Orange Co, New York. **Elizabeth LITTLE** died after 1796. She was born in , Scotland. Elizabeth was born in Scotland per grandson's, John Williams Hulce, memo found in the Kroch Library on the Comell U Campus, Ithaca, NY. She and her daughter, Elizabeth, are mentioned in Silas Hulse's will of the town of Minisink 27 Nov 1799, probated 25 Jan 1800. It does not state the relationship they had with Silas. Not much is known about Elizabeth. Her maiden name is thought to be Little. ELISHA HULCE and Elizabeth LITTLE had the following children:

+2	i.	**John HULCE.**
+3	ii.	**Jacob HULSE.**
+4	iii.	**Benjamin F HULCE.**
+5	iv.	**Joseph SMITH HULCE.**
6	v.	**Elizabeth Cory "Betsey" HULCE** was born about 1766 in NY. She died on 6 Aug 1814 in Goshen, Orange, NY. Elizabeth never married, and died of a fit.
7	vi.	**Elisha HULCE** was born in 1767 in NY. He died about 1820 in , Orange, NY. Elisha was found in Minisink, NY in the 1800 census. In the 1820 census he's listed in Calhoun, Orange Co., NY. Nothing else is known about him.

SECOND GENERATION

2. **John HULCE** was born in 1754 in Precinct of, Walkill, Ulster, NY. He died on 15 Dec 1811 in Deposit, Delaware, NY. He was buried in Oak Hill Cem, Stilesville, Delaware, NY. During the Revolutionary War John was a private in the 2nd Regiment (McClaughrey's Regiment) for Ulster County, NY Militia. (Ulster Co is now Orange, Sullivan and present Ulster Counties.) "History of Delaware County, NY", published by W.W. Munsell & Co. 1880. "John Hulce responded to the call to march to Penpack in opposition to the Indians and Tories in 1778. Following the Revolutionary War he was a member of a militia unit under Colonel Hutchinson who engaged John Brant, the Mohawk Chief, at Minisink, NY in 1789. Among the 150 volunteers was John Hulce. Though sick and convalescent from fever, nothing could restrain him. He started to leave with his company and fainted and had to be carried back which was fortunate for him because Colonel Hutchinson and most of John's company were killed by the Indians in the Massacre at Minisink."
"The Men Who Built Up Deposit". "The first permanent settler in Deposit was John Hulce, who came in the spring of 1789 from Orange County, NY and located on the west bank of the river, at the northerly end of the present village of Deposit. He was on the paternal side descended from German ancestors, who came to New Amsterdam with the early Dutch settlers. His wife was a granddaughter of General Herkimer. His wife's mother was disowned and disinherited because she married a Welchman named Williams, who was a loyalist and private secretary to Sir Henry Clinton. When John came he brought only his son John W with him, then only seven and a half years old. He built a log house and cleared some ground, and in the fall of 1789 returned and brought his wife and children by canoe to the village known as Cookhouse, supposedly named after the Indian name of Cookhurse Sepus, by way of the north and south road, through the beech woods, which had just been opened by Samuel and John Hilburn for the commonwealth of PA. John was a devout Presbyterian and his wife Abigail a Baptist. John was a member of the Goshen, NY Presbyterian Church as of 19 July 1783. Both died before any churches were built in Deposit, but the first public religious services were held in their home by Rev Hugh Compton who also taught the first school in their barn as early as 1793. All their children became Baptists. John's daughter Polly was the first white child born in Deposit." In the 1810 census John lived in Harpersville, NY. Letter from the Town Historian in Minisink Twp, Minisink, NY. "The town of Minisink was formed in 1788 and was one of the largest in Orange County. In 1825 part was taken to form the town of Deerpark and Mt. Hope. In 1849 more was taken to form the town of Greenville. In 1854 more was taken to form the town of Wawayanda. The city of Deposit was cut in half by the Delaware and Broome County line; the Sanford township and Deposit township line. The east half of Deposit City was in Deposit township and Delaware county. The west half of Deposit City was in Sanford township and Broome county. Deposit township was formerly known as Tompkins Township. Deposit city is about 4 miles north of the New York Pennsylvania border. The village of Sanford is about 4 miles northwest of Deposit city. Stilesville is located 1 mile northeast of Deposit city. Places located on the east side of Deposit City, Delaware County: Hulce farmland, Revolutionary War Cemetery, Laurel Hill Cemetery. Places locaed on the west side of Deposit City, Broome County: business district, churches, Pine Grove cemetery, railroad depot, and old hotels." The Hulces and relatives generally lived on the east side of Deposit City.

Abigail's parents are unknown. John Williams lived very near Elisha Hulce in the 1770s tax records. (Likely father of Abigail Williams) Her ancestry has been an enigma for family members and genealogists for years.
An interesting legend: Martial R. Hulce, grandson of Abigail, and a well-known authority on Delaware County history, contended that Abigail was a granddaughter of Revolutionary War patriot, General Nicholas Herkimer, whose daughter married a Welshman named Williams, a private secretary to Sir Henry Clinton. One 19th century Hulce descendant states that the Welshman's name was Jeremiah Williams. As a result of this union, Herkimer supposedly disowned and disinherited this daughter who became Abigail's mother. Other facts do not support this legend. History does not credit Herkimer with any children by either of his two wives. This may be because no children are named in his will; however, if he had in fact disowned and disinherited his daughter, she would obviously not be mentioned. Chronologically, it does not fit. Most authorities state that Herkimer was born in 1727. It was not possible that Herkimer could be a grandfather at 23. However, one reference states that Herkimer was born in 1715. He could have been a grandfather at 35, though unlikely. When Martial was pressed for more details he responded that he remembered his father being visited by two lawyers trying to settle General Herkimer's estate. Dr. Hamilton J. Hulcee of Louisville, KY had researched the matter, and stated that he was informed by his parents and uncles that Herkimer was his great-great grandfather and that other families had corroborated it. He also named two sons of the Herkimer and Williams union: Peter and John who lived in Monticello, NY; he also stated a reference that stated Genereal Herkimer had a grandson, John Herkimer. This

family legend has not been proven by primary sources and remains an interesting legend.

He was married to Abigail WILLIAMS in 1773/74 in Goshen, Orange, NY. **Abigail WILLIAMS** was born in 1756. She died on 29 May 1803 in Deposit, Delaware, NY. She was buried in Rev War Cem, Deposit, NY. John HULCE and Abigail WILLIAMS had the following children:

+8	i.	**Sylvester HULCE.**
+9	ii.	**Samuel H HULCE.**
+10	iii.	**Julianah "Sally" HULCE.**
+11	iv.	**John WILLIAMS HULCE Sr.**
12	v.	**David HULCE** was born on 2 Feb 1784 in Goshen, Orange, NY. He was christened on 29 Aug 1784 in Presb Church, Goshen, Orange, NY. (David's birth date also given as 26 November 1781.)
+13	vi.	**Polly "Mary" HULCE.**
+14	vii.	**Kosiah HULCE.**

3. **Jacob HULSE** was born on 10 Oct 1755 in Goshen, Orange, NY. He died on 19 May 1833 in Canandaigua, Ontario, NY. He was buried in Post Remington, Cemetery, Canandaigua, NY. Jacob's year of birth per Revolutionary War pension file S 32335. The following written by Jacob in 1832. " On about 1 Dec 1775, I was called out in Captain Little's Company of Col Ellison's Regiment. We marched to the Hudson River and were on guard there for about ten days. We then marched down to Tappan and performed duties for about three weeks. After this, the command changed to Major John Gardner and we continued duty for about 40 days. In 1776, it was a warm day and I was marched to Ft. Montgomery and thence to Ft. Clinton and labored at public works under Lt. Stewart in Col. Ellison's Regt. While there I saw General James Clinton and his brother George Clinton and knew them well. I saw Gen Washington when he went to Boston. I served one month there. On or before 12 Dec of the same year I was called out in Captain Little's Company and joined the regiment at Goshen under Colonel Ellison and march to NYC. We remained there for nine or ten days, then marched to Gloucester then back to Tappan where we encamped for some time. Back toward Gap of the Mountains and kept guard there about one month. Colonel Ellison then divided the regiment and took part of it home. I remained and did duty more than one month when Lt Marvin drew 30 men of which I was one and went on a scouting party. We went to Jersey and returned to the Hudson and then to Paramus and after 2 months was discharged and sent home. On or about 1 April 1777, I was called out in Capt. Little's Co, and ordered to Naick to join Capt Garner to guard the frontier for one month. In May following, I was called out again in Capt. Little's Co. to go to DeWitts Fort on the Neversink River and to Dickens Fort on the Delaware River and did duty on this station until my father came and took my place and served three months. Major Newkirk commanded at Dewitt's Fort. The Indians tried several times to take the Fort and Lt. Stewart was killed. After this we were frequently ordered out on claims but there was no specific duty until the summer of 1781 when I was called out in Capt. Sweesey's Co. and did duty at Tappan Landing. I was there when the news of Cornwallis' surrender was announced and did duty for 2 1/2 months." In 1777, Jacob was wounded at a General Review by the kick of a horse while on duty. He was still disabled in his left leg at the time of his pension application. Jacob lived in Goshen and Minisink and then removed to Canandaigua in 1826 where he lived at the time of his pension application 28 Aug 1832. DAR application 157594. His grave site is on private farm land, Post Remington Cemetery in Canandaigua, NY. Mrs. Marian Bills Barkely of Rochester, NY has visited the sight and found Jacob's tombstone. (Jacob is Marian's ancestor) He appears in the 1790 census for Cornwall, NY; 1 male over 16, 2 males under 16, 5 females.

Jacob and Rebecca were married in the First Presbyterian Church by Rev Nathan Kerr. (Marriage date also given as 31 June.)

Rebecca's sisters and brothers were: Nicholas, John, Henry, Theodore, Matthias, Jacob, Mary, Alcha, Catherine, Huldah. Her parents were Theodorus Van Tassel born 1718 and Maritje Boen (Boon). Theodorus came to Orange Co., New York in 1752 from Philipsburg, Westchester Co,NY. Rebecca's grandparents were: Jacob Van Tassel and Aeltie Storm. Aeltie's parents were: Dirck Storm and Marie Peters. Jacob and Aeltie were married in 1697 and lived in Philipsburg, NY. Rebecca's great grandparents were Jan Cornelius Van Texel (Van Tassel) born about 1625 and was the first American born Van Texel. Jan Cornelius died in 1704. He married Annetje Alberts - daughter of Albert Alberts and Grietja Stevenkonin. Jan Cornelius lived at Midwood (Flatbush), Long Island, New York. He was married there and his children were born there. Rebecca's great-great grandparents were Cornelius

Jensen Van Texal born about 1600 on the Isle of Texal, North Holland. And sometime after he came to America he was given "Cantoneras" in marriage. Cantoneras was Indian/Native American. The above information was provided by: Helen Louise MicKlitz of Bloomingdale, New Jersey. Helen is a Van Tassel researcher and compiler.

He was married to Rebecca VAN TASSEL on 30 Jun 1778 in Goshen, Orange, NY. **Rebecca VAN TASSEL** was born in , Orange, NY. Jacob HULSE and Rebecca VAN TASSEL had the following children:

Keziah's parents were Israel Parshall and Ruth Howell from Eastern Long Island. Her ancestry dates back to 1600 England. For more information see "The History of the Parshall Family", published in 1903 by James Clark Parshall. Benjamin F HULCE and Keziah PARSHALL had the following children:

5. **Joseph SMITH HULCE** was born in 1759 in Goshen, Orange, NY. He died on 29 Apr 1811 in Sanford, Broome, NY. He was buried in Sanford Cemetery, Sanford, NY. "History of Broome County, NY". "In 1789 Joseph was in Cannonville, NY. He then came with his brother John to Deposit in 1789, and the two located lots 43,44,45 Evans patent. Not being able to secure the title to lot 43 Joseph returned to Orange County." He appears in the 1790 census for Orange County: 1 male under 16 and 5 females. He was a Justice of the Peace. Joseph received 20 pounds from his father's estate with the stipulation that he could receive another 50 pounds upon the death of his mother if he did not give the estate any trouble. Joseph was a revolutionary soldier per a statement in his daughter's, Sally Hulce Pinney, Family Bible. (No other record, other than this note in Sally's Bible, has been found.). His tombstone still exists in the Sanford, NY cemetery. It is located south of the Sanford crossroads on the west side of the road. The inscription reads: "Mr Joseph Hulce died 29 April 1811". (The grave site was visited by Lynn Harper, Jim and Sylvia Hulce.)

He was married to Margaret WILLIAMS on 11 Mar 1778 in Goshen, Orange, NY, Presbyterian Ch. **Margaret WILLIAMS** was born in 1750 in probably Deposit, NY. She died in 1802 in Deposit, NY. (Margaret is presummed

to be a sister to Abigail Williams, wife of John Hulce. John Williams is a possible name for her father. John Williams was living near the Hulces in a 1770s tax list for Wawayanda, Orange County, New York). Her death is per Sally Hulce Pinney's Bible Record. Joseph SMITH HULCE and Margaret WILLIAMS had the following children:

+34 i. **Luther HULCE.**

+35 ii. **Sarah "Sally" HULCE.**

+38 v. **Rebecca HULCE.**

THIRD GENERATION

8. **Sylvester HULCE** was born on 27 Oct 1774 in Goshen, Orange, NY. He was christened on 23 Jul 1775 in Presb Church, Goshen, Orange, NY. He died on 3 Mar 1852 in Deposit, Delaware, NY. He was buried in Pine Grove Cem, Deposit, Broome, NY. In the 1810 and 1820 census Sylvester was in Tompkins, Delaware Co, NY. Thompkins is a suburb of Deposit on the Delaware County side. Sylvester was a pioneer of Sanford, NY.
The following recorded by Martial Hulce. It illustrates the hatred toward the Tories by the frontiersmen. "In 1794 Sylvester Hulce, the father of Martial Hulce, went with Dexter May in a canoe to Minisink to obtain supplies. On their return they stopped for refreshments at Rock Run, a few miles above Callicoon. While there, Thayendanegea (who preferred to be called Captain Brant), came down the river in a canoe with 3 Indians, on the way to Philadelphia and stopped at the same place. On meeting, he greeted May, and from the conversation that took place it appeared that May had been in concert with Brant in the war. At this interview, Brant gave an account of the Minisink Battle of 22 July 1779, near Lackawaxen. He stated that if the whites had stood firm five minutes longer he should have given the retreat whoop, "Oonah! Oonah!" and that the occasion of the whites retreating was the arrival of three young Indians, who had been on a hunt, and who came back whooping. The whites thought a reinforcement had come and that they would be surrounded, when the cry of "Lope! Lope!" was made they threw down their arms and fled, most of them being tomahawked. When the conference ended, they all took a drink of rum, and each party resumed their journey. On arriving at Shehocken May stopped, and Hulce poled the canoe to Little Cookhouse. Stopping at Squire Whitakers he related the interview with Brant and May, whereupon John and Benjamin, sons of Squire, seized their guns and declared they would go and shoot the Tory May. Their father had to use all his authority to prevent them from going."

He was buried in Taycheedah Twp Cemetery, Fond du Lac, WI. Luther came to Deposit, NY with his father. (It is presumed that Luther became head of the family when his father died.) Luther and Salome were baptized in the Baptist Church of Deposit, NY 12 Sept 1812. Their letter was taken out 25 Dec 1836. The family was on the tax rolls in Windsor, Broome County NY in 1813 and 1820. In the 1825 and 1835 census the family on the tax rolls of Sanford, NY. In the 1840 census the family was in

Luther and Salome were very likely buried at Taycheedah Twp Cemetery in Fond du Lac County, WI. The Hulces lived less than 1 mile from this cemetery. This cemetery was reported to contain about 80 graves of the earlier mostly English settlers. The Hulces would be considered one of the early "English Settlers". The cemetery was located in the SW 1/4 of section 2 in the town of Taycheedah, WI. It's located on the east side of Lap Road (on top of the hill) 1/4 mile north of the intersection of Lap Road and Golf Course Road. The cemetery was plowed under about 1965, so it shows no sign of ever existing at present. It was over 100 years old. Most of the stone markers were small. Researcher Lynn Harper is trying to locate the burial records and trying to determine what happened to the existing tombstones for this cemetery. It has been determined that some Hulces were in this cemetery. This Taycheedah Twp Cemetery should not be confused with Taycheedah Cemetery in Section 5 which is kept up and is 3 1/2 miles west of Taycheedah Twp Cemetery.)

39. **Martial Rosen HULCE** was born on 29 Mar 1804 in Deposit, Delaware, NY. He was christened on 7 Oct 1821 in Baptist Church, Deposit, Broome, NY. He died on 6 Nov 1896 in Deposit, NY. He was buried in Pine Grove Cem, Deposit, Broome, NY. Martial was an antiguarian, historian, and philanthopist who lived his whole life in Deposit, New York. "His quiet life was long, patient, unassuming, and active in the pursuit of knowledge." On file was an Autobiographical Memoir "Martial Rosen Hulce and Family Connections", written by Mr. Hulce for publication after his death. "In may 1789 John Hulce and son John W came up the Delaware from Carpenter's Point (Port Jervis) in a canoe to the Cook House (Deposit) and built a log house and cleared a small patch of land. In the fall they went back and brought the rest of the family by way of the old North and South Road. They were the first settlers of the place. The family consisted of 3 sons and 4 daughters. Sylvester was the oldest, married and had 12 children. He also raised Cyrus Horace. I went to a common school and worked on the farm till 16 years of age, after which I attended a select school kept by Samuel G. Orton in Deposit for several terms and was assistant teacher one term. In 1821 I united with the Baptist Church in Deposit, and established the first Bible class in Deposit. I was superintendent and Bible class teacher for more than 40 years. I worked on the farm when not in school till 1823. In the winter of 1823-4 I kept the common school in Stilesville for $8.00 a month for 3 months to get money to go to an academy. In May 1824 I took a pack of clothes on my back and in the company of Nelson Wheeler walked to Homer, NY a distance of 70 miles and entered Cortland Academy for one term. It was here that I first saw and admired Eliza Ann Curtiss, a beautiful girl, 14 years old, who was attending the academy. In the winter of 1824-5 I kept a common school in the Todd District in Homer at $10.00 a month and went to the academy in the summer. In the winter of 1825-6 I kept a common school four months in Deposit at $12.00 a month and again went to the academy in the summer. In the winter of 1826-7 I kept the common school in Atwater district in Homer at $14.00 a month. In 1827 I began practicing surveying for the state and for private individuals. I followed this profession more or less for 60 years. In 1829 I began to deal in lumber, buying and running it to Philadelphia, and made some handsome profits. When not otherwise engaged I worked on my father's farm and helped to support the family up to 1832. In 1829 with the view of building a brick house I traveled to Binghamton, Homer and Ithaca to find a competent man who would do the work without whiskey. I found such a man who made 200,000 bricks. In 1830 I purchased the Butler house and 18 acres for $2,000.00. I planted many locust and maple trees and called it Locust Grove. In 1833-1835 I bought and sold lumber. In 1835 I bought $2,200.00 worth of goods and opened a country store which I continued for 23 years with my brother Silvester D. I was Justice of the Peace from 1836 to 1843. In 1848 I purchased a printing press and type and established the first newspaper in Deposit, the Deposit Courier with C.E. Wright editor. I aided Jay Gould in making the first history of Delaware county, making him my guest while in Deposit, and took him in my carriage to Hale's Eddy to see Major Dickinson, and was to receive a copy of the work, but never got it. I was post-master under the administration of James K. Polk. In 1845 I lost about $8,000.00 worth of lumber by flood and in 1857 on or after the failure of the US Bank I lost over $10,0000.00 by parties, to whom I had sold lumber in Philadelphia whose notes I endorsed. Most of the debts were paid and I was enabled to keep my homestead through the friendship, kindness and generosity of Hon. Charles Knapp and sons. When the slavery question was dominant, Frederick Douglass came to Deposit desiring to give a public address, but could not get permission to enter either of the churches or schoolhouses. My father and I had just finished building a large barn and offered him the use of it which he accepted. I took dinner with him. In 1876 when the boundary line between NY and PA was surveyed I met with the commissioners of both states at Hale Eddy and gave them needful information. Some weeks later I went to Hale Eddy and met the US astromomers and engineers and assisted in fixing a monument and establishing a permanent meridian line. I continued to aid by advice and otherwise during the work all the way to Lake Erie. I was frequently called upon to write land and other contracts, wills, and acted as executor and administrator in the settlement of 8 estates. Also in 1879 I was employed by the publishers of "The History of Delaware County" to write the chapters on land patents, the Erie railway and the geology of the county, and the history of the towns of Hancock, Masonville, Sidney, and Tompkins (then including the town of Deposit), and the biography of many of the older settlers. For this I received $140.00 and a copy of the work valued at $10.00." For many years Martial kept and reported for the Deposit Courier weekly the daily state of the weather at Sunrise and at 1 pm, and also made weekly reports to the US New York Meteorological bureau at their office at Cornell University, Ithaca, NY. From all writings Martial, his sisters and brothers were all born in Tompkins, Delaware County, part of the village of Deposit. Tompkins is no longer on the map. He was the historian for Deposit and is responsible for much of the Hulce history. He commanded a company in the Old Militia as a lieutenant. In the 1850 census Martial is listed as owning $25,000.00 in real estate. (He may have owned buildings in Deposit.)

Martial compiled the Deposit History for "History of Broome County NY' by Smith. Martial never sought political office but was always a firm Jeffersonian democrat and voted for every democratic nominee since and including Andrew Jackson. (Martial's first name also listed as Marshall and Martian.) He was responsible for promoting two Hulce family legends, which researchers have been unable to prove. They appear to be incorrect. The legends are: 1) The Hulce-William-General Herkimer legend, and 2) The Hulce-William Verhulst 2nd Burgomaster of New Amsterdam legend.

He was married to Elizabeth Ann (Ann Elizabeth) CURTISS on 20 May 1832 in Homer, Courtland, NY. **Elizabeth Ann (Ann Elizabeth) CURTISS** was born on 12 Apr 1810 in Homer, Cortland, NY. "History of Delaware Co, NY" by Munsell, pub. 1880. "S.P. Butler was born in Deposit in 1805 and married Lurania Hulce of Deposit, a descendant of one of the first settlers and an early teacher there. His father,Samuel, was born in 1777 in Saratoga Co and having been driven out by Indians and Tories, came to Deposit very early, where he married Betsy Pine. Mr Butler was a farmer with the post office at Deposit." "History of Broome Co, NY" by Smith. "Samuel Butler had a sawmill in his early days. It was located a few miles west of Deposit." "Deposit Courier" dated 26 April 1894. "Samuel died at Deposit Sunday 22 April, 1894 at 11 a.m. Samuel Pine Butler the subject of this sketch was born in the old Butler house, which was the first frame house the village ever had. It was built by Colonel Butler who was then conducting an extensive tannery in Deposit. He was united in marriage to Lurania Hulce also a resident of Deposit. The result of the union was 14 children. The wedded life was a happy one and is evidenced by the testimony of Mr. Butler at the time of Lurania's death. As he was standing over the remains, said, "during the 52 years of our married life my dear wife has never spoken a cross word to me." With the exception of two years of their early married life spent in Westford, Otsego county, Mr. and Mrs. Butler have always lived near this village, first on the Van Schoyk farm on the river, and afterwards on the Beebe Hill farm. Samuel married a second time to a widow lady name Reynolds. For a second time he was made a widower in the death of Mrs. Reynolds in 1892. Preceding his death for the past few months, the infirmities of age have told upon him, but so vigorous was his constitution that he hung with tenacity to life. Even to within a few hours before death came he refused to accept the possibility of death. The funeral held at the home with Rev. S S Bidwell conducting, who drew valuable lessons and comfort from the Christian character of the deceased." His parents were Captain Samuel Butler and Elizabeth "Betsy" Pine.

She was married to Henry PETERS on 18 Feb 1828 in (prob Deposit), Broome, NY. **Henry PETERS** was born on 14 Dec 1807 in , NJ. He died on 16 Apr 1888 in Deposit, Delaware, NY. Henry's parents were John Peters and Betsy Smith, of Bushkill, PA. John and Betsy left PA and went to Sanford, Broome County, NY. John established a grist-mill, and did farming and lumbering on a very large scale, being successful to such a degree that he retired from business life several years before his death which occurred in Deposit when he was 65 years of age. Henry and his son started in business life when a very young man, purchased a farm on the Jersey side of the Delaware River in Tompkins, where he had an extensive lumber business. He owned his saw-mill, and transformed the lumber into boards, which he sent to the Philadelphia market. He and Almira were members of the Presbyterian Church. In politics he was a firm republican. Henry's success in life had been due to his own hard labor, and the sound sense which has led him to make good use of his opportunities, to work and not dawdle, to mind his own business and do it well.
(Old historical material states that Henry and Almira had a large family, so there may be more children than the ten listed). Almira HULCE and Henry PETERS had the following children:

In the 1870 census Herman lived with his daughter, Marion

and Henry Eitsart. The source of this information was the family records of Stella Davis Chaffee. Stella wrote that Herman's name was Hiram instead of Herman. "Hirum Hulce was a Dutch farmer and moved to WI."

He was married to Mary Julia "Marien" THOMPSON about 1843 in Deposit, Broome, NY. **Mary Julia "Marien" THOMPSON** was born in Mar 1826 in Glasgow, Scotland. She died on 11 May 1865 in Freeman Twp, Crawford, WI. She was buried in Eitsert Cem, Boma Ridge, Crawford, WI. "Marien Thompson was born in Scotland and came to the US at 3 years of age. Benjamin was born posthumously three months after his father died. Military: Civil War private in Company I, 7th MI Cavalry. The information on his family was taken from the biography of Benjamin Hulce, pp 380-1 in the book, "Past and Present of Eaton County, Michigan." pub 1906 by the Michigan Historical Association.
The following is his biography: "Benjamin Hulce is one of the honored pioneer citizens of the city of Grand Ledge, where he has made his home for more than half a century and where he is now living retired, enjoying the well-earned rewards of former years of well-directed toil and endeavor. He was born in Elmira, Chemung County, New York, September 4, 1829, being a son of Benjamin and Sally (Lewis) Hulce, the former of whom was born in Pennsylvania and the latter in the state of New York. The father died in June preceding the birth of the subject of this sketch, and the latter has no definite information relative to the family history. The mother died in Jackson County, Michigan, at the age of seventy-two years. After the death of her first husband she married John H. Burroughs and in 1832 they came with their family to Michigan, arriving in Jackson County on the 3rd of June. There Mr. Burroughs bought one hundred and sixty acres of government land, in the midst of the forest primeval, and the family lived in their wagon, which was provided with a canvas cover, until he could chop trees and build his little log house, which they occupied two years before the same was provided with either doors or windows. Mr. and Mrs. Burroughs continued to occupy this log house until 1851, when the subject of this sketch, who had located in Eaton County in the meanwhile, returned and built for them a small but confortable frame house, in which they passed the remainder of their lives. Six children were born of the first marriage and seven of the second. Of the children of the first union Mr. Hulce and his brother Warren, of Michigan City, Indiana, are the only survivors so far as he knows. Mr. Hulce was less than three years of age at the time of the family removal to Michigan and he passed his boyhood days on the pioneer farm, in the midst of the woods of Jackson County, and

the nearest school house was nearly two miles distant from his home, so that his educational advantages were very limited in scope. He has made good this early deficiency by personal application and through the lessons learned in the valuable school of experience. At the age of sixteen years Mr. Hulce left the home roof and went to Medina, Lenawee County, where he entered upon an apprenticeship at the trade of carpenter and joiner, remaining there until he had attained the age of twenty-one years and having become a skilled artisan. He then passed one winter in the village of Onondaga, Ingham county, whence he removed to Grand Ledge in the spring of 1851, having continued to make his home in this city, which was then but a little forest hamlet on the bank of the Grand River. Here he began working at his trade, his first job having been that of hewing timbers for the old grist mill, which was erected by the firm of Wood & Allen. For many years Mr. Hulce did all the repair work on this mill, as well as on the saw mill which was located on the site of the present chair factory. Mr. Hulce is the owner of a well improved farm of forty acres, in Oneida Township, having bought the land when it was still covered with timber, and the same is now in charge of his eldest son. In addition to his beautiful brick-veneered residence in Grand Ledge he also owns two small buildings on South Bridge street. Mr. Hulce continued to follow his trade, as a contractor and builder, until 1899, since which time he has lived practically retired. September 4, 1864, at Grand Ledge, Mr. Hulce enlisted as a private in Company I, Seventh Michigan Cavalry, with which he served until the close of the war, having been mustered out, in the city of Detroit, August 12, 1865, and having duly received his honorable discharge. He took part in all the engagements in which his command was involved, the regiment having served under General Sheridan and General Custer. He was present at the surrender of General Lee, at Appomattox. Some of his regiment had the distinction of effecting the capture of John Wilkes Booth after that actor had assassinated President Lincoln and escaped from the capital city. Mr. Hulce has been aligned as a supporter of the Republican party from the time of its organization, but he has never sought public office, the only position of the sort of which he was ever incumbent having been that of village marshal, in which capacity he served one year. He was a charter member of the Grand Army of the Republic and one of the first initiated in the local lodge of Free and Accepted Masons. In the Masonic fraternity he has attained the K.T. and Shrine degrees. Of the persons who were resident of Grand Ledge at the time he located here only three others are now living here and no male citizens. July 30, 1853, Mr. Hulce was united in marriage to Miss Roxana Bronson, who was born in the state of New York, February 1, 1835, and who died in Grand Ledge, November 17, 1869. Concerning the children of this union the following data are given; Edith M. who was born October 1, 1854, was the wife of Frederick Lewis, of Lansing; Horace B., who was born April 30, 1856, resided on his father's farm, in Oneida township; Ida M., who was born May 1, 1858,was the wife of Peter Campany and they resided in the state of New York; Ada D., who was born May 18, 1860, was the wife of Andrew J. Sweet, of Grand Ledge; Perley B., who was born December 2, 1863, and who married Miss Clara Doty, died in Grand Ledge, November 24, 1866; Custer C., who was born August 14, 1866, married Miss Deborah Gayer, and they reside in Grand Ledge. March 16, 1873, Mr. Hulce consummated a second marriage, being then united to Mrs. Hannah (Skinner) Atkinson, who was born in Lenawee county, Michigan, September 7, 1836, being a daughter of John D. and Clarissa (Strong) Skinner, who were numbered among the first settlers of Windsor Township, Eaton County, whence they removed from Lenawee County. Mr. and Mrs. Hulce became the parents of three children; Jay D., who married Miss Fannie Nixon, is manager of the Clark hardware store, in Grand Ledge; Cassie D. died at the age of nine months; and Clarissa S. remains at the parental home."

Ann Waller married a Johnson and their children included Ann Waller Johnson (Mrs. James Frederick Chaney), Charles S Johnson, Frank Johnson and possibly others. Clara Chaney Hulce's siblings were Emma Sarah Chaney 1841-1861), Jennie Clara (1846-1924 Mrs. Fayette Gillett), Eliza Jean (1844-? Mrs. James Chapman), Charles Frederick (1839-1846), and Emma (1837-1838). An extensive 40 page manuscript collection at the WI State Historical Society in Madison, WI contains letters written by Clara, her parents, James and Ann Chaney, her uncle, Frank Johnson to relatives in London, England. These letters were transcribed and published in a 14 page article in the WI Magazine of History, Spring 1964 issue. This article is quite interesting as it describes the Chaney's and Johnson's voyage to America, and conditions in Fond du Lac, WI from 1849-1853. A descendant of Jennie Chaney still has an oil portrait painting of Ann Waller (born 1780 Mrs. Johnson), and son, Charles Johnson. (This research provided by Lynn Harper). Letters: Clara wrote to her grandmother in London: "The government has bought the land from the Indians, and they come yearly to recover their pay. They go up in the woods in the winter and come here and hunt for fish in the summer. If they want some tobacco and you give them some they are sure to bring some cranberries and fish as a present. They paint their faces red and have a sort of blanket dress. The squaws, as they call the women, do most of the work. Father is known all over, and all came to see and welcome us. We like the place and the people very much, we think them free and generous and they seem willing to lend you any assistance they can." Clara explained that timber was being gathered for the new Chaney home, and that her mother had made two coats for Mrs. Hornby. Pay for the coats was taken out in firewood. She told of eating well, stating,"the yankees generally live well. We have three meals a day, they call the third meal supper." Clara's letters, which reflected her schooling, later told how Frank Johnson had been in ill health in NY, but started to recover and now planned to build a home. She mentioned the great excitement in Fond du Lac over sidewalks and plank roads, and added that the steamboats were going to come right up the river. There was much talk about a railroad making Fond du Lac an important center. (Although the Chaneys did not know it at the time, a line named Chicago, St Paul and Fond du Lac Railway, later called the Chicago and Northwestern, was formed in 1853). Clara, who became a Sunday school teacher in Fond du Lac, wrote to her grandmother that the early settlers from England were thankful that they faced no war. Everything was perfect and tranquil in Fond du Lac. In a letter dated 29 May 1853 Clara, then 19 years, had become the wife of a respectable young farmer named Hulse. Clara died of a cerebral hemorrhage.

Poem written for George W and Clara Chaney Hulce's 50th Wedding Anniversary by Jennie C. Chaney Gillett. (sister to Clara Chaney Hulce). "The Golden Wedding". "Far away in New York by the Mohawk, some seventy-five years ago, Launched in a trail boat was a black-eyed boy Down the river of life to row.

Far away o'er the foaming Atlantic In that mightiest mart of the world Back sixty-eight years in the rosy June In a frail little skiff came a blue-eyed girl.

The one drifted down on the Mohawk Wisconsin's wide prairie in sight. The other launched out on the ocean With God's eye to guide her aright.

From afar and awide they moved nearer. Grew strong as they worked with the tide; And, at length, by the bright Winnebago Came to anchor the barks--side by side.

The boy baby now was in manhood. And good angels directed his eye To that girl baby, now grown a maiden, An English maid, modest and shy.

The old story again, you can guess it. There's but one other sweeter in life. At the altar he promised to husband. She promised to love as a wife.

Dear-a-me, does it seem that the roses Have bloomed fifty summers since then That nineteenth of April, fifty-three When the earth teemed with roses for them?

Does it seem that the fierce winds of winter Have fifty times lashed the rough tide Since those two little barks they abandoned In the ship called Our Home to abide?

For reply ask the graves that encumber The guests of that nuptial feast; Or the few, oh, so few, of the number Who are yet from those fetters released.

But God in His kindness has given Our voyagers long lease of life. And a share of His bounty and blessing Outweighing the sorrow and strife.

As they breasted the billows together In that beautiful ship called Our Home, Came a crowd of wee rowers to help them Then one, and now one, all well come.

And all through the long changing voyage, Some a bright pair of eyes, black or blue. Looking ever for father and mother, To see how to please them anew.

Although they go hither and yonder, Seeking homes of their own, far or near, They still like to help at the rowing For the parents, for us ever dear.

And with them many friends are uniting In congratulations today Dear bride, and dear groom, that together You've rowed half a century away.

And now, at this glad golden wedding, We assemble to wish you good cheer, While we pray that the Father of Blessings May add to you many a year.

That when you approach the last haven, Not a storm, not a shadow, shall rise, And that God who in mercy has promised. Shall wipe all the tears from your eyes.

As you enter the bright golden portals, By the hand of our Savior upborne, His love, passing all understanding Shall inusher the glorious morn." Your Loving Sister Jennie C Gillett. George Washington HULCE and Clara Ann CHANEY had the following children:

Recollections of William Everson: "In 1839 Sylvanus Aldrich, like the Israelite of old, had made a visit to a far country, the territory of Wisconsin, to see the land, whether it be fat or lean, and the kind of people who dwelt therein. He found timber, an abundance of game, natural grass, and a well watered country; also a few settlers from New England. It appeared to him a desirable place to make a home. Upon his return to Medina, Ohio, it was agreed to make the venture, and Mr. and Mrs. Everson, who were just married, and Squire Pickett and family decided to come, too. The three families traveled in covered wagons with ox-teams, and brought some cows, sheep and hogs with them. They were all summer making the journey. 227. **Fannie PINNEY** was born on 1 Mar 1813 in Sanford, Broome, NY. She died on 20 Dec 1885 in Lake Mills, Jefferson, WI. She was buried in Rock Lake Cem, Lake Mills, WI. "Lake Mills Leader" dated 2 Feb 1928. "William Everson, one of our oldest citizens, brings to mind some interesting bits of history in the annals of Lake Mills and vicinity. The Everson and the Aldrich families were among the earliest settlers on near-by farms. In 1839 Fanny Pinney left her home in New York to go to what was then considered the 'far west'- Medina, Ohio to teach school. The following year she married Philander Everson. Her sister, Priscella, had married Sylvanus Aldrich, and moved to Medina a year or two before. On the wedding journey to Wisconsin in a covered wagon with the Aldrichs, she found she was very homesick, it was all so new and strange. One morning when she went to breakfast the men brought in their catch of fur bearing animals. These were thrown on the floor and the odor proved no help to the homesick bride. Philander Everson and Fanny settled in Astalan, and worked Judge Hyer's farm for three years. Milwaukee was the nearest trading post, and money and provisions were scarce. The only means of securing ready cash was through the sale of furs to representatives of the Hudson Bay Company who traveled through the district. He moved to Lake Mills in 1843 and built a house in the 1850s on the south east corner of East Lake and Oatway Streets. He used oak from the virgin timber of the 160 acre Everson homestead, which he had secured from the government in 1840, for the framework and with lumber received in trade for corn meal in Oshkosh and drawn to Lake Mills by oxen, used for finishing. The cupboards, the cabinet clock, and the open fireplace purchased from a peddler became the greatest pride of the Everson family. Philander ran a brick yard. The brick yard was on the rear lot, near the creek. In the fall of 1860 Philander and Fannie Everson, their son, George and two nieces, Ellen Aldrich (Mrs Henry Crump) and Eveline Aldrick (Mrs C J Millard) were at Jefferson to attend a 'Wide Awake' meeting before the first nomination of Lincoln for president. Coming home the team of horses hit a tree stump, which had not been grubbed out, the road going around each side. The horses became frightened and all the occupants of the wagon were thrown out. Philander was fatally injured. He was taken to the Yellow Tavern, but never regained consciousness and died before morning." After his death his son William assumed the role of head of the family and enlarged the farm to 400 acres next to the city of Lake Mills. The house built by Philander consisted of a main part and a wing like all houses built in those days. The trees surrounding the house were planted by Philander. In 1881 William granted a right of way through the Everson farm for a railroad built from Milwaukee to Madison.
"History of Jefferson County", "When Philander arrived in Jefferson County the entire countryside was wild and undeveloped. Milwaukee was the nearest market. Indians in large numbers still lived in this section of the state, and camped upon his farm. Agricultural methods were very primitive as compared with those of present day. Plowing was done with oxen, threshing with a flail and the grain was cradled."

He was buried in Royalton Cem, Royalton, WI. The following was taken from the "Commemorative Biographical Record." "George E Moore is one of the oldest living settlers in Waupaca County, having come to Wisconsin as far back as 1843, and to what is now Royalton Township in 1849. He was born in the town of Putnam, Washington Co, NY in 1822, son of James and Hannah (Easton) Moore. James Moore was born in Scotland, and, when twenty-one or twenty-two years of age, came to the United States, locating in Washington Co, NY where he married and made a permanent home, following the occupation of farming. Mr Moore and his wife both died in New York. They reared

a family of eleven children, two of whom are now living and five of whom came west, four coming to Wisconsin, as follows: John came to Waupaca county in 1850, and died at Royalton, Waupaca County, in 1880; George E is the pioneer whose history is here outlined; Henry came to Marathon county in 1840, engaged in lumbering, and died in St. Charles, Kane Co, IL, in 1854 or 1855. Margaret is the widow of W F Moore, of St Charles, IL, and she and her brother, George, are the only members of the family now living. George E Moore was reared in Washington County, NY and educated in its schools. At the age of twenty-one he set out for the West, coming direct to Chicago, and thence on foot to Grand Rapids, WI, in the year 1843. He was on the upper Wisconsin River, lumbering, from Grand Rapids to Wasuau, WI, for two years, and then at Mosinee, WI operating a mill. After being on the WI River six years in all; he went to Royaltown Township, at that time (1849) not named or surveyed. This was then all Indian Land; the treaty had been made only the year before, and the Indians had not yet been removed. In the winter of 1849 and 50 Mr Moore built a sawmill and operated it for two years. He then came to Royalton Township, Waupaca County, bought a sawmill, to which he built an addition and engaged in the manufacturing of shingles and lumber for many years, till about 1873, when he sold the mill. He was the founder of the village of Royalton, which he laid out in 1855 or 1856, and in connection with a brother gave employment in the mill to an average of twenty men or more. At Royalton, in 1864, he married Mrs Marion (Hulse) Phillips, who was born in New York, widow of Bradford Phillips. Two children were born to them: Alice, wife of Charles Mather, of State Line, WI, and Maud, who is attending the State Normal School at Oshkosh, WI. Mrs. Moore had two sons by her former marriage: Milton, an attorney at law, who is married and resides at Oshkosh, and Clarence, also married, who resides at Stevens Point, WI. After the sale of the mill, in 1873, Mr Moore engaged in farming in Royalton. He bought a timber tract of two hundred acres adjoing the village, cleared it, and built a good residence on the farm, where he made his home for fifteen years, and carried on general agriculture. In early life Mr Moore was a Whig, afterward becoming a Republican, and he still takes an interest in politics. He was the first chairman of Royalton township, and also a member of the county board and chairman for one term. During the war he was postmaster of Royalton, was a member of the Legislature in 1871, and has held other offices of responsibility and trust. Mr. Moore is widely and favorably known, has been interested in advancing the prosperity of the county, and no man has been more familiar with its changes from the forest where roamed the Indian to cultivated fields."

615. **Alice Salome HULCE** was born on 12 May 1856 in Taycheedah, Fond du Lac, WI. She died on 3 Jun 1940 in Marshfield, Wood, WI. She was buried on 5 Jun 1940 in Brighton Cem., Unity, Marathon, WI. Alice and Ransom were married by Rev. W Henry Watts in a Protestant Episcopal ceremony. The witnesses were Charles Fredrick Hulce, and Emma E Hulce, the bride's oldest brother, and her youngest sister. The occupation of the groom was given as laborer.

The following was written by Connie Brown McCray for this book. "Alice was a short person and wore her hair pulled back in a twist, and she had sparking, quick eyes. She was a teacher and was always reading. She was very sentimental and saved poems and various newpaper articles that caught her interest. Her keen sense of humor and quick wit was a constant part of her life. Her pantry smelled of beet pickles, canned tomatoes, soup, baked beans, and cookies. Her grandchildren usually made that one of their first stops upon arriving for a visit. The grandchildren were also intrigued with the upstairs of the Brown home. Many interesting "old" things could be found there, along with sausage or hams curing. She dressed neatly in tailored woolens, which were made by her daughter-in-law Clara for her comfort, with long sleeves, cuffs, and buttoned up close to her neck. She often wore scarves and pins. She often asked her granddaughter, Connie McCray, to play "Red River Valley" on the piano, and she would sing along with every word. Her grandchildren were always begging to pump the pail of water from the outside pump with its long, long handle. The ice cold water tasted so great as we held the cold, metal dipper to our lips. The dippers were usually blue and white marbelized porcelain which more likely than not were chipped - frivolous to sanitary requirements, we all passed the dipper from one to the other, anxiously waiting our turn. We could usually count on fresh bread and jam ready for us, or would discover a freshly baked apple pie. There were usually a few chickens to feed and an old barn in the back of the house to explore. Her hands were small boned, but her fingers were long and thin. They were hands that had worked hard through the many winters in the north. When she smiled, her eyes and every line on her long, thin face smiled at the same time. She called her husband, "Rant". She was quite a happy person and found much to enjoy and smile about. She was a quiet, easy person to live with. She taught her husband how to survey by reading technical books to him."
Her obituary read: " Mrs Brown was above all else a home loving woman, always a faithful wife and a loving mother, all of her interests were centered in her husband and children and her home. She was a member of

Christ's Disciple Church having joined with them in her younger years." Alice came with her parents into Portage County being numbered among the peioneers of the county. She passed away at the Marshfield hospital. Her death resulted from a fall when she broke her right hip, since that time she had been at the hospital, her extreme age causing her recovery impossible.

Following Ransom's marriage he moved to a farm about 4 1/1 miles east of Unity in the town of Brighton which was the family home until 1900. He served as Marathon County surveyor 1898-1902; 1905-1910. He was the first county highway commissioner in Marathon County (1911) for 3 years. In later years he operated a Standard Oil Service station on the main highway passing through Unity. He was a member of the Odd Fellows. Ransom died of acute bronchitis at St Mary's Hospital in Madison, WI. Connie Brown McCray remembers: "Ransom spent much of his life farming, logging, and surveying - all in the outdoors - which gave his face a weathered and lined appearance. He had many interesting stories to tell about the Indians and hunting bear. He was always ready to chide his grandchildren about the evils of short skirts, high heels, and often remarked that lipstick made their lips look like beefsteak. He was a stern man, but a responsible and hard-working father. He wanted his children to get good educations and was usually involved politically in his community. He was usually seen smoking a pipe and was a moderately tall, lean man. He called his wife Alice, Al." His parents were Hiram Brown and Laura Jane Minis. Ransom and Alice lived with their son Neal when they were older.

She was married to Ransom Hiram BROWN on 26 Dec 1885 in Linwood, Portage, WI. **Ransom Hiram BROWN** was born on 22 Jan 1862 in Poysippi, Waushara, WI. He died on 16 Dec 1943 in Madison, Dane, WI. Richard suffered from epilepsy after a head injury as a youth. He passed away of lobar pneumonia. Richard was educated and though not of a rugged nature he did all that he could to aid in the work of his parents. His health broke entirely and he was taken to the hospital at Madison for treatment. Richard possessed many fine qualities, not the least of which was his child-like christian faith. This faith abided with him to the end, and he was never ashamed to bear witness of it whenever the occasion offered. He was cheerful and friendly toward everyone. He never married.

+1351 iii. **Ransom Alec BROWN.**

1352 iv. **Frederick BROWN** was born about 1896 in , WI. He died about 1896. Frederick died as an infant from pneumonia. His parents had gone to a dance and upon their return home found their son, Fred, starting to run a fever - resulting in the boy's contracting pneumonia and his death. After that time Ransom would never dance because of what had happened to his son. This was the ultimate example of the great loyalty and feeling of responsibility toward family that Ransom and Alice expressed.

"The following was told to me, Mrs. John Hulce (Irene), by Grandma Hulce about a year before she became sick: James McCutcheon, my grandfather, was married in Ireland to Elizabeth Alexander. They came to Canada when my father, Jimmy as he was called, was three years old. I was told that they had money and farmed some 50 miles from Quebec. They sold butter and grandfather was called the 'little king' by his friends. My grandfather, William Henderson, on mother's side, was a ship builder in Quebec. Grandmother's name was Susan Edwards. My father, James McCutcheon, married Sarah Helen Henderson at Invernes, Canada, and came to Davenport, IA in May before I was born in February 1868. That would make the date May 1867. They lost two babies in Canada. They worked for Uncle George Henderson near Round Grove which was the post office, and was 20 miles from Davenport.

They bought a farm, and while living there sister Ella died and brother Bill was born. When I was 6 years old we moved to Crawford County, IA near Vail. I went to country school near Vail. George, Susie, and Ed were born in Vail. I owned a dress shop in Vail in later years before I was married. In 1892, in my home, I was married to Albert Emmer Hulce." James and Sarah Helen McCutcheon are both buried in the Vail Cemetery. There is one large stone with McCutcheon etched on it. Two smaller stones, low to the ground, with James and Sarah H on them. Written by Elizabeth McCutcheon Hulce for the 'Golden Jubilee' issue in South Dakota in 1955. "Elizabeth Hulce Recalls Experiences": I came to Presho 50 years ago about the middle of Oct 1905 just before the railroad. My husband, Albert Hulce, had filed for a homestead early in 1904. We made many trips over there hauling lumber for the buildings and other supplies. We broke land, made a dam, built a house, barn, chicken house, double corn crib and granery, which we didn't use for many years. We put in 15 acres of wheat the first year and it was so nice they came from Sioux City, IA and took a picture of it and put it in the Sioux City paper. The next year we broke up 40 acres and didn't get a crop. I and 4 children came on the train from Plankington about Oct 5 to Oacoma, SD. Sheriff Pickett met us that night and told me my husband couldn't meet me. That night we stayed in the hotel and the next morning we, together with a lot of men came on the 'bus' to Presho. The 'bus' was a team of brochos hitched to a spring wagon with plank seats. One man was so nice to the children and my one girl Mildred really fell for him. We stopped at Chase's roadhouse for dinner and she lost sight of him and she had quite a time until she found her man. He was Bob Scott, Mrs. Ida Mallett's father. Well we finally got to Presho, at that time just a store and boarding house where the railroad men boarded. My husband met us and we went out to the homestead. The house was not quite finished and it snowed that night. Al and my brother, George McCutcheon had to go to Pierre to get coal and other things, so Percy, my oldest boy, had to saw up posts to keep us warm until they came home that evening. Once up at Rabem's they butchered a beef and they had raised a lot of nice potatoes, so I had a nice breakfast of potatoes, gravy and good bread and butter. I made suet pudding and it made quite a hit. Well, we stayed in SD all these years, paid taxes, got schools, raised eleven more taxpayers, some of them good farmers and stock raisers. We went through all the hard times, hot winds, dust, no crops, grasshoppers, etc. One year we had no hay so we had so sell all the cattle but two cows. We had forty mares and sold all the colts to Halvardsgaard on the White River. We thought the mares could rustle through on short grass. They did until January then we had a big snow so we had to ship in hay from Rapid City at 20 cents a ton. In the spring the horses were not worth much. Well, we kept them until we had another bunch, had so many late that we traded 22 of them for a secondhand oldsmobile car. We built a nice herd of cattle also. I traded 125 plymouth rock hens for two cows. We kept one white faced cow until she had 11 heifers. Had quite a nice bunch and then the government took them for $20 a head. We built up another herd and anthrax came and cleared out the whole lot. Later when Presho had a consolidated school, we lived in rented rooms over Hight's Hardware Store. Russell Mullen, his wife and daughter Viola lived there, too. They had a new piano and all the young folks used to come and she played for them and they surely enjoyed the music. I am still here yet and I keep house for one boy, raise a garden, make quilts and rugs, and I think I have helped to make SD a good place to live even if two of my good farmer boys did get hailed out, they won't give up, but will try, try again just as we had to do when we first came to Presho to live". (submittted by Joyce Smith). Elizabeth had 44 grandchildren and 36 great-grandchildren when she died at her home in Murdo, SD. She and Albert raised Violet Knudtson. "In the summer of 1880 reports of free land in Dakota territory prompted Levi Aldrich and his brother-in-law Reuben Black to make a trip to Grant County, Dakota Territory. While there they both filed on land that was open to homesteaders. Levi filed on NE 1/4 of section 8-119-47 in Vernon Twp. Reuben on NW 1/4 of the same section. Levi and his family left the following spring for Gary, Dakota Territory. They drove their stock from the farm to Dover, MN. They ordered three emigrant cars to take them to Gary. The cost of an emigrant car was $22.50. When they arrived in Sleepy Eye, MN which was a division point on the railroad, many emigrant cars were waiting for a train to take them on to Gary. The conductor needed an extra $4.00 to help pay for an extra crew. Levi paid the man because he was anxious to get to his destination. He was warned to stay in the cars so that he would not be left behind. The next morning they were still in Sleepy Eye. It was learned that the conductor was a discharged railroad employee who was taking advantage of the homesteaders. They finally arrived in Gary on May ninth or tenth. Mary and the children took the passenger train to Gary. They then began the drive of 25 miles to Vernon Twp. When within a mile of the NE 1/4 of section 8 Levi saw a farmer working on what he thought was his land, and was fearful of some claimjumper on his claim. He hurried his horses only to find that the farmer was his brother-in-law, who was helping Levi and his family by planting their wheat for them. This kindness was much appreciated after all the trials of the trip from Dover. The family moved into the granary they had built the fall before, and that summer built a larger house. Levi and Mary had limited funds but had a strong desire for education for their children. None of the children had had any high school work, so they had to take entrance examinations to enroll in the new

Dakota Agricultural College being established at Brookings. Irwin, Merton and Nellie all took the examination and were all accepted. The young people were transported in a lumber wagon to enroll in the college. When the family lived in Vernon Twp Levi helped establish the Elmira Post Office, and for a while the office was housed in his home. The name Elmira was chosen for this community post office after the name of the town of Elmire, NY where Levi's grandfather had lived before coming west. After a few years this post office was discontinued. One of the community activities in the early day was the "singing school". This served as a social event, and Levi served as the singing teacher, an activity which probably compares to the present day choir director. The family moved to Milbank in 1894. Later Levi and Mary moved to Moscow, ID, where they lived until moving to Spokane, WA."

They will be conducted by the Rev E G Hill, pastor of Laurel Street Methodist Church, and the Rev. Aubrey Hughes of Ginter Park Methodist Church. Burial will be in Hollywood Cemetery. He was a member of an old and widely known family in this section of Virginia. His father, up until his death a few years ago, had been an active member and captain of the Richmond Police Department. Afterward, Mr Hulce became connected with the Old Dominion Building and Loan Association and served in this capacity until he started his first public work as deputy to T.C. Walford, collector of delinquent taxes. Still later, he became chief deputy in the office of Captain Frank W. Cunningham, collector of city taxes, and, upon his superior's death, succeeded to the office. "A Pioneer Life": When I was one year old my parents moved to Kansas from Iowa where I was born. My father hired a man to bring us as they were moving out here. There were five families in all moving; at that time moving wagons were drawn by oxen. It took six weeks to make the trip. We landed in the Soloman Valley and lived for a time in a sod house with a ground floor and when it rained the only dry place was under the table. Our table was home made and our chairs were nail kegs and boxes. It was hard living for a time. Finally my father got a job on the railway section. As time wore on he was made section foreman, and that was his work for a good many years. Then he moved to Soloman City. When I was between 8 & 9 we moved to Parkerville, KS. For 4 years my father was a section foreman, then he took over a job as a grain buyer for a man by the name of Joe Drake. When I was 13 he bought a farm 3 1/2 milres from Parkerville. There was a large family of us, twelve in all. Never was there more than 4 at a time as sickness and death took from us our loved ones. I had 5 brothers and 7 sisters. I never had a brother live to be 5 years old. I was married at the early age of 15. In 1907 my father passed away and our oldest girl was married. I had two little girls die just one year and 3 months between them, Mildred Anetta and Merle Agatha, then another girl took sick in another year."

I remember when they were married in "29. And how they eluded the chivari crowd, and the laughs and guffaws surely were loud. They lived neighbors to my husband and I back in the days when we saw grasshoppers fly. Both John and Everett worked on the WPA. Some dams and road grades exist to this day. John was a good neighbor and friend

as well. He farmed the Shives and Harlan places well, then rented his holdings, farming land, pastures and all over into the hands of a son-in-law. They sent kids to school the same as we. The number they sent added up to 3. We had a band, the years Olive Frazel taught, and the kids played music just like they ought. In black and red uniforms made by two mothers; who sewed and sewed for all the others. We all came to Murdo where they marched in a parade, and watched and listened with much pride. They lived in Murdo for a while. Their daughter Dallas and our daughter graduated from Murdo High, just fine in the spring of "49. We went to a school house for Sunday School, during the nine warmer months as a rule. Maybe 3 generations were numbered in the crowd who came whenever the weather allowed. Their fathers Levi and Franklin were brothers who resided in Big Stone City, SD in 1902. In 1895 Irwin was a school superintendent in Grant Co, SD. "100 Years in Grant County, SD 1878-1978" published in 1979. "Irwin migrated with his parents to Grant Co, SD when he was sixteen. He rode with his father, Levi, on the emigrant car from Dover, MN to Gary, Dakota Territory. Part of the way he rode on top of the car because he could not wait to see Dakota Territory. For several years he lived at home and helped with the farming. He then took a teachers examination and was issued a certificate to teach country school. He taught several terms in the Grant County schools. Among his country school teaching experiences was that of the blizzard of 12 Jan 1888, when he and one student spent the night in the schoolhouse, unable to get home because of the severe storm. One year he taught in a German community and lived with a German family. The family all talked German at home and Irwin made the most of his opportunity and learned to speak their language and by spring was quite adept in the German language. He attended the Agricultural College in Brookings and graduated in the first class in Pharmacy in 1890 and received his bachelor of science degree in Agriculture in 1891. He then attended Cornell U in Ithaca, NY working towards a master's degree. The panic of 1893 and the lack of funds prevented him from realizing this dream. Again he turned to teaching school. In 1895 he became a candidate for County Superintendent of schools. He was elected to this position and served two terms. Many teachers at that time had limited training, having only finished the eighth grade and perhaps a few sessions of "Teacher's Institute". Irwin published a book called "The Country Teacher" designed to aid these

young teachers. He was also instrumental in helping to organize a summer school at Big Stone Lake at what was known as Simpson Park Faculty members were imported from SD ST college and from Aberdeen Normal to teach these classes to help the country teachers to upgrade their cetificates. Upon reaching the end of his second term as County Superintendent he bought a newspaper, The Big Stone Headlight, in Big Stone, and for the next twenty years he was editor and publisher of this newspaper. In 1939 Irwin was chosen for the Newspaper Hall of Fame at SD ST College at Brookings. He was instrumental in establishing and organizing the Big Stone Canning Company and served as its first president. Later he sold his interest to F W Douthitt, who developed it into one of Big Stone's leading industries. While living in Big Stone Irwin was appointed the SD Board of Regents. This position he held for sixteen years as a member and as Secretary of the Board. In 1920 he was appointed by Governer Peter Norbeck as Commissioner of Immigration for the state of SD, a position he was well qualified for since he was an avid booster for SD and all of its potentiality. While living in Pierre, SD he was elected to one term in the SD Legislature from Hughes County. In 1931 he and Ella moved back to Big Stone. South Dakota had no bigger booster than Irwin D Aldrich. The enthusiasm he showed when he came as a sixteen year old homesteader in 1881 by riding on top of the emigrant car remained with him all of his life."
